

UNIQUE TREAD DESIGN FOR HIGH FLOTATION

Minimum soil compaction Higher Productivity

HIGH RUBBER DENSITY SIDE WALL

Resistance to side wall damage Extensive Tire Life

F2M (F3) BIAS TIRES BUILT FOR

TRACTORS

- Best suited for farming operations requiring a high level of handling
- Unique tread design guarantees high flotation and less soil compaction
- High-density tread rubber provides long tire life

LIMITED WARRANTY

All tires manufactured by Global Rubber Industries (Pvt) Ltd. are covered under limited warranty against materials, workmanship and any other

manufacturing defects subjected to the usage of these tires under specified conditions. Please refer our standard warranty policy for further details

GRI is a leading producer of Specialty Tires from Sri Lanka with offices in six countries and sales in over 50 countries around the world. GRI produces high-performance Agriculture, Construction and Material Handling Tires. GRI's state-of-the-art factory is the largest in Sri Lanka to produce specialty tires and the first to produce radial agriculture tires. Technological innovation, engineering strength and operational excellence have powered GRI through rapid growth to become a leader in specialty tires. GRI is certified in ISO 9001:2015 - Quality Management, ISO 50001: 2011 – Energy Management and ISO 14001:2004 Environmental Management.
